

COUGAR PRIDE

DAWN GRAVIER

1981

Dawn,

I'm glad I got to know you before the end of the school year. It's just too bad we didn't talk and get better acquainted sooner. I think you're the coolest chick I've met all year, and I think we could have really gotten to be real close friends if we had a little more time. I won't forget the fun we had getting inside in the Archer's class together, and I hope we can do it again sometime next year. But now since school's out I guess I'll just have to keep in touch by phone. (735-6633) Maybe we could even make some more sometime.

Well I really have to go now.
Love you,
Katie

Love you forever

Dawn,

I'm really glad we became friends.
Hope we stay friends, I hope when I
come out here on the weekend, that
Rick, you, Mike & I can all party
together. Maybe we can hang together.
Stay cool and keep on partying.

Keep in touch.

PRIDE!

WE'VE GOT IT!

Clockwise from top left: 1) Darrell Willis and Coach Gonzales show one of Darrell's trophies. Darrell is one of the fastest 400 meter runners in the state of California with a time of 47.09. 2) Our Cross Country team won first place in CIF this year! Way to go! 3) Cougars destroy San Bernadino! We're proud of the JV Football team with a record of 9 wins, 1 loss this year making it the best record in Norco football history! 4) Karen Volmerding-Norco's best body builder who ranks number two in the state of California among high school girls! 5) Mr. Smith participating in the faculty-student tennis tournament. 6) Norco football had a super year. Varsity went into CIF and were Sunbelt League champions. 7) Sheri Hasley and Tracy Kearns are Norco High's best scholars with perfect 4.0 report cards! 8) Rod Raider our charming, good looking ASB President and also our number one ham.

Clockwise from top left
 1. A young woman with dark hair is smiling and looking towards the camera. She is wearing a light-colored, patterned top. In the background, another person is partially visible, and there are some framed pictures on the wall.
 2. Four people are standing on a snowy or icy surface, possibly a frozen body of water. They are dressed in winter clothing. The background shows a hazy, overcast sky and distant structures.
 3. A wide, panoramic view of a snowy landscape. The foreground is covered in a thick layer of snow, and the background shows a hazy, overcast sky and distant structures.
 4. A young woman with blonde hair is sitting at a desk, smiling. She is wearing a dark, patterned top. There are some papers and a lamp on the desk.

A DEDICATION TO
A SPECIAL FRIEND

This year the **Spectrum** staff takes joint pride in dedicating the 1984 **Spectrum** Fall/Winter issue to this magazine to express our sincere appreciation for the spirit and devotion of our high school and college students and staff.

JACK WECKERLY

"It has been a privilege for me to be in education for the last fourteen years. I can honestly say that I have been very happy in all of the working positions I have held. However, education has been most rewarding.

One never intends to gain riches in the education profession and sometimes it can be most trying. With the ever increasing restrictions, mandates from government, red tape, and lack of funds it becomes more challenging each year. Needless to say, the education of the student is of the utmost importance.

The rewards and satisfaction come at the end of each school year when you know in your heart and mind, you have done the very best you possibly can, professionally and ethically. On an evening in June, on the football field, the class of '81, or '82 or '83 receives the diplomas, you may sit and reflect on the part you had in assisting these students in attaining this goal.

One must have much endurance and stamina, in this day and age, to remain in education. The rewards and satisfaction must come from within, from the students, parents, and from one's

pleasure.

Elephant's Signa

The musical score for "Elephant's Signa" is written for piano and voice. It consists of ten staves. The piano part begins with a prelude marked "P" and "P" (piano), followed by a main melody with various dynamics and articulations. The vocal part enters with a solo melody. The score is in 4/4 time and includes a key signature of one flat.

REGISTRATION

Registration day. Just one of those things we all must go through. But it really is more than that. For some, it is a day of fun, for others a chance to see old friends and meet new faces.

Registration gives the students a chance to have their pictures taken, buy an A S B card, or a yearbook, and get their parking permits. It is always a hectic time for students as well as teachers, and this year was no exception. Getting the teachers you want for the classes you need can be a breeze if you get there early. But as the day wears on and classes start filling up, some of the students start getting impatient, and oh, how they try not to get grouchy!

MR. GORGEOUS LEGS

What's this? A strip-tease? No, just a bunch of Norco High students ooh-ing and ahh-ing at the sexiest legs in the school. Sponsored by the senior class, the "Mr. Gorgeous legs" contest was held December 12 in the lunch area. Contestants included Wes Fritz, Mike Gladu, Joe Monete, Denis Murray, and Steve Reid. They were asked to parade around behind a paper curtain, showing off their legs, without revealing their true identities. Dennis Murray took the show away, winning it by a huge margin. Each contestant was presented a garter by Senior class Secretary, Sue Resner.

HOMECOMING WEEK:

MONDAY

- Pajama Dress-up
- Car Push
- Obstacle Race

Pajama Day started off Homecoming week with a spark of enthusiasm from the students. P.J.'s ranged from traditional to wild n' crazy to even curlers (shame on you!) The turnout of sleepy-heads that dressed up was simply amazing.

Six people from each class made up the teams for the car push. The seniors took it away, with Greg Contreras, Rick Legere, Doug McCormack, Kathy Myers, Monica Orazco, and Tammy Tadlock sending the Volkswagen down the basketball courts at awesome speed.

Five thirsty chug-a-luggers from each class competed in the Gatorade Guzzle, sponsored by Paw Prints. Once again, the mighty class of '81 defeated all. The winning team consisted of Danny Paul, Doug McCormack, Kelly Hennesy, John Burda, and John Barney.

During lunch the Get up, Get out, Get in Obstacle Race was held. This event was sponsored by the Guppy Club. The object was to get out of a sleeping bag, shower, shave, dress, eat a sandwich, come back undress, and get back in bed through a series of obstacles. One team member was blindfolded, with two others guiding, all shooting for the fastest time. The sophomores won this event, led by Ron Merchant.

TUESDAY

- Celebrity Dress-Up
- Banana-Split Eating Contest
- Inter-Class Volleyball

Tuesday was Celebrity Dress Up Day. Students showed their spirit by going all out with costumes, make-up and water perms. Norco High was honored to have such personalities as Phyllis Diller, Barbra Streisand, Dolly Parton, Wonder Woman, Bjorn Bjorg, Gomez and Morticia Adams, Uncle Fester and Cousin It, Jack Nicklaus, Mr. Bill, Monica of "General Hospital", and many others, walking our own campus. The Seniors showed what pigs they really are by winning the banana-split eating contest.

The Inter-Class Volleyball game took place during lunch. Students played hard defending their class. Some of the players even returned on Wednesday to finish up the match. The Class of '83 won this event. Celebrity day was sponsored by the Drama Club.

WEDNESDAY

- Jocko Dress Up Day
- Tug-O-War
- Slave Auction

Wednesday, October 29 was Jocko Day. Many of the students dressed up for this day. There was a great variety of sports. Football, tennis, baseball, jogging, motocross, and soccer were among the most popular sports. The Tug-o-war, sponsored by French Club, showed what brute strength can be achieved when a large group of jockos are put together on each end of a rope. The participants broke two ropes before they found one that could withstand the beating. Mountain Climber Suzie Grant supplied the trusty rope. The seniors were the winners of this event (once again). French Club also sponsored the Slave Auction. There was quite a turnout of slaves for the sale. Students who were bought had to wear some pretty crazy costumes the following day. Ken Cruz and Joey Herrera were both good examples of this. A day like this one says it in itself. Cougars have spirit!

THURSDAY

- Halloween Dress Up
- Spirit Ladder
- Dunking Machine

Halloween is always a fun day for everyone. Certainly it is a dress-up day that allows for creative thinking, and takes a little nerve. This year, Narco High had the opportunity to celebrate it a day early. Students and teachers showed off their craziest costumes, ranging from witches and Raggedy Ann, to Playboy bunnies.

The Spirit Ladder during break was a contest to see which class could yell the loudest. Darren Hulbert, Scott Donaldson, Tracy Kearns, Coach Nugent, Monica Orozco, and Charlie Chastain all got pies-in-the-faces. The Pep Club sponsored this gooey-fun activity! At lunch, Queen candidates sat in a dunking booth while students tried to hit the target with a softball and send the lovely girls into the drink. After the queens were dunked, some students went in the booth upon dares of their friends. We had several wet-heads walking around campus that Thursday.

FRIDAY

- Homecoming Assembly
- Homecoming Parade
- Homecoming Game

The 1980 Homecoming Assembly was a smash hit. The purpose of the assembly is to get students and athletes "pepped up" for the Homecoming Game that evening. This year's assembly included the introduction of various sports teams at school, including Varsity and Junior Varsity football, our championship cross country, and the girls volleyball team. A special presentation was given to Mr. Jack Weckerly by the Spectrum staff. Mr. Weckerly was also awarded a standing ovation from the students. Perhaps the most entertaining part of the assembly is the play, put on by the pep squad each year. This year's play, "Princess Cougar and the Whozits," was Norco High's version of Snow White and the Seven Dwarves. Snow White was played by Princess Cougar and the Whozits included such characters as Patti Punk, Sandy Surfer, Sally Songie, Vickie Vogue, Connie Cowgirl, Nancy Nerd, Stacy Stoner, and Jeffrey Jock. The play really added fun and a note of comedy to the assembly.

This year, Mr. Jack Weckerly was honored as Grand Marshall for the 1980 Homecoming Parade. Ingalls Park in Norco was the starting point. The floats were kept at Ingalls during construction and were revealed to the world on Homecoming day. The sight of the magnificent floats and the Homecoming Court (Chauffered down the parade route in convertible Volkswagens) awed the spectators. The Big Blue Music Machine was joined by the marching bands of both Norco and Auburndale Junior High Schools. Guests, pep squad, and mascots added to the spirit and helped give the evenings festivities a good start.

FACULTY-ALUMNI VS. VARSITY BASKETBALL

This year's boys' and girls' basketball seasons began in December with the Varsity teams vs. the Alumni and the Faculty. The girls began their quest to their eventual Sunbelt League Crown and C I F Playoff Berth during the season by squashing the Alumni team by 20 points. Some of the alumni present were, Debbie Collins, Kathy Clem, and Betty Wells. In the Boys-Alumni game the first half was a good show as the Alumni kept the varsity on its toes, building a 49 to 45 half time lead. During the third quarter the Alumni built a huge lead but by the end of the game the varsity almost caught up, trailing by only 8 points. Last years heros Derrick Pinnecker and Trent Farin made a big showing

HO! HO! HO!

The second annual Christmas decoration contest sponsored by the Executive Council was a tremendous success. The Christmas spirit was evident all over campus and many classes participated by "decking their halls with boughs of holly." The contest was held with third period classes competing for the \$60 grand prize. The judges awarded first place to Mr. McCollum's Algebra 2 class, which was designed to look like Christmas morning with a fireplace, working model train, toys, and stockings. Second place went to Mr. Nugent's U.S. history class which was Santa's workshop complete with Santa's elves working busily making toys. Third place was Mr. Reid's physics class (senior brains) complete with a stocking for each student in class, two Christmas trees, a working fireplace, Christmas lights, winter window scenes, ceiling decorations of streamers, garlands, Mistletoe, and tinsel. Since Mr. McCollum's and Mr. Reid's classrooms are side by side, the competition was intense. Mr. Nugent's class was the sleeper of the contest, surprising everyone at the last minute.

CONVENTION

The A S B Nominating Convention gives students a taste of how a democracy operates, a chance to act on the privilege and duty to vote, and to have a lot of fun.

One of the major events of the school year, the convention is usually held in April for the following fall semester. This year however, the A S B chose to elect new officers early. This gave the newly elected Executive Council a chance to be in the leadership class a full semester before their official term. The in-coming officers had an opportunity to learn how to run meetings and about their individual jobs and duties.

Considering the fact that the convention usually takes four or five months to plan, and this year's was planned in one month (due to short notice), it was certainly well put together and as successful and fun as any previous convention.

The following candidates were chosen by majority vote for the ballot for President- Jennifer Williams and Joe Herrera, Vice-President- Ken Cruz and Steve Kearns, Secretary-Dana Powers and Rodney Martin, Treasurer Darren Boyd and Stacey Leach.

MR. VALENTINE

Lovable, huggable, witty, charming, good-looking, friendly, and nice are all qualities we look for in Mr. Valentine. And who has those qualities more than Mr. Valentine for 1981, John "Teddy Bear" Barney??

Girls' League sponsors the Mr. Valentine contest each year. Various clubs on campus are asked to nominate their choice for candidates. Voting is cast by a penny-a-vote system. All contributions go to Peppermint Ridge Home. Nominees this year included John Barney, Butch Hudon, Toshi, Gary Evans, Danny Hartnett, Bill Clemons, Rob Thomas, Kieth Cue, and Charles Lotshaw.

IN FASHION AT N.H.S.

Norco is basically a down-to-earth, casual place. T-shirts and jeans are the favorite dress of most students. However, Norco is not untouched by fashion trends and Punk did make a small wave on campus this year. Wes Fritz, Shelly McDougall, Brett Fox, Lana Upson and Loretta Fleming showed up with their crop tops, devo specs and painted sneakers.

The preppie look was snubbed by most Norco students, even though Jennifer Williams and Rob Thomas made big efforts. She with her plaid skirts, knee socks, and Top-siders, and he with his Lacoste shirts, khaki pants and collegiate sweaters.

Designer jeans (Gloria, Sergio, Sassoon, Jordache) made a big showing on campus, although the seniors did vote jeans TV ads as their least favorite commercials. (Better watch that brain washing, people!!)

Among the faculty, Mr. Lang and Mr. McCollum, with their well-tailored, three-piece suits win the best-dressed awards. And so does Mrs. Pomeroy, who never fails to impress with her flair for unique and creative fashion. Mr. Nugent stunned many by wearing a handsome gray pin strip suit - what would his old friends from the NHS class of 1970 say?

SPIRIT WEEK

Spirit Week is a week in February designated as a time for spreading spirit through fun and craziness. The fun lies in daily lunch time activities, and the craziness in dress-up days. It is somewhat similar to Homecoming week in November, in that it's main purpose is to get the students involved and to promote school spirit. Generally during the winter time, students and faculty are getting a little bored with school and anxious for something new. Spirit Week helps us to enjoy our school days, and add some excitement to the "winter doldrums." This year's spirit week included a punk day, cowboy day, baby day (with a baby bottle chug-a-lug at lunch), a ski bum day and a crazy-hat-and-shirt day.

CAMPUS BEAUTIFICATION

The NHS Campus Beautification project started in earnest in the spring of 1980. Under the leadership of ASB President John Haugen and the invaluable aid of the Catfish Club, the entire quad area of the campus was beautified.

This year (80-81) the beautification drive has been expanded to where plants, trees, flowers, and grass have been added. Under the current ASB President Rod Reider, and spearheaded by the Catfish Club executive council: Danny Paul, John Burda, Jim Meckell, and Allen Adam, the campus beautification project of 1980-81 has been turned into a great success.

Many students have participated in the bike-a-thon and the dance-a-thon to raise funds for beautification.

VARSITY FOOTBALL

The 1980 football season was a milestone in the history of NORCO High football. For the first time, the Cougar Varsity emerged as league Co-Champions, finishing the season with an extraordinary 8-3 record.

Led by seniors Todd Gerhart, Rick Legere and Charles Lotshaw, the Cougars entered the CIF playoffs for only the second time in the fourteen years of the schools existence. The Norco offense, spearheaded by the Sunbelt league MVP Gerhart, all-league fullback Legere, all-leaguers Scott Wilkerson and Danny Hartnett, and Junior quarterback Charles Chastain, led the Sunbelt league in virtually all offensive categories. The Cougar defense anchored by league MVP Lotshaw and all league end Rod Reider finished second in the league in fewest points allowed, second in pass defense and first in rushing defense.

With a nucleus of 15 returning letterman including 4 starters, the Cougars are anxiously looking forward to the 1981 football season.

J.V. FOOTBALL

The 1980 Cougar J.V. Football team was very successful. With a season record of 9-1, our J.V.'S had the best season of any football team in the school's history. We were also co-Sunbelt League champions with a league record of 4-1.

The Cougar offense featured a constant and varied attack. We rolled up a total of 295 points averaging 29.5 points per game. The defensive unit did its job allowing only 56 points in 10 games and actually scoring six touchdowns.

This fine J.V. group paints an optimistic picture for the next few years of Norco High Football.

CROSS COUNTRY

All in all, not a bad season. The Varsity team finally nabbed the 3A C.I.F. Championship title that has been hotly pursued for the last three years. They never gave up after all those second place finishes at invitational. But more important, they had confidence. Confidence to win the Sunbelt league title than go on and capture the 3A C.I.F. title.

The girls team ramblled to their fourth league championship in four years, and continued their mastery of the area by being the only area team to qualify for the C.I.F. Finals.

The Fresh/Soph. team performed beyond any expectations. They continually improved as the season progressed and I hope that they will help us continue our fine success.

The J.V. team continued the excellence that has existed throughout the years. They kept the Varsity on their toes, reminding them that any slacking off will lead to replacement.

Remember the program with fondness and respect and all those mile repeats, loops, The River Run!

Winning C.I.F. by a comfortable 32 point margin has got to be considered a great accomplishment, by a team that was not even rated. The confidence, poise, intelligence, and determination make this team the greatest Cross Country team in the history of Norco High School. They should be congratulated and respected.

GIRLS' TENNIS

SMOG SMOG SMOG The season was riddled with canceled games and practices due to smog alerts. Despite the smog, the girls learned a great deal of tennis. The scores of the team can not possibly show individual gains in skill achieved by many of the girls. The most impressive aspect of the year is that despite losses faced by each girl, not one of them ever gave up. This shows tremendous character by the team members and the joy they had in being able to compete on the team.

Coach Randy Campbell is hopeful for next year. With a few more seniors and more experience we should place more in league and take more to CIF.

VARSITY- BASKETBALL

This year's basketball season was an exciting one, and successful for the team as a group. The team finished fourth in the league. Brad Husen was an important asset to the team, and made first team All-League. Chris Phillips earned a honorable mention. Coach Perez did an excellent job coaching this year's team, and he and all the returning players hope for even higher team standings next year.

Top row (left to right)- Charles Lotshaw, Jerry Lawrence, Carlos Davila, Joe Monete, Kelly Hennessee, Tom Chaney. Bottom row- Steve Edwards, (Mgr.), Brad Husen, Steve Bradley, Chris Phillips, John Arnold, Dave Oberg, Coach Perez.

VARSITY BASKETBALL

Front: Darcy Fitzsimmon, Angie Legere, Magic Johnson, Tiffany Muller, Lisa Vothart, Viki Bombardier, Holly Cox, K. J. Green, Abigail Stetson, Allison Smith, Carolyn, Parish Pomroy.

J.V. BASKETBALL

Junior Varsity Basketball is a very important part of N.H.S.' sports program. All of the Junior Varsity athletics help prepare students for the Varsity teams. Both Boys and Girls J.V. teams had very exciting and successful seasons. Good luck to the members on their future participation and congratulations on a great season.

GIRLS' BASKETBALL

The girls gained a lot of confidence after winning the Colton Girl's Summer League with a record of 7 wins and 2 losses. This confidence carried over in to pre-league games as we won the consolation championships of both the La Sierra and Eisenhower Tournaments.

Sunbelt League play began in January and we were able to go through the first round undefeated. We began to realize that the first championship of the new league might go to us after we'd been able to defeat Moreno Valley in their own gym. At that time we were 7-0 and had a 2 game lead. The girls cinched the Championship with the season's win over Corona. The championship means a lot to us but the friendships and good times we've had are just as important.

Front row (left to right): Ellen Malarky, Pam Shaw, Lori Hribar, Natalie LaMagna, Geni Farin. Back row: Kasey Decker, Cheryl Scott, Becky Swift, Laurie Muchaney, April Clayton.

SOCCER

The soccer team had a growing year. This team is very young and shows a lot of promise.

We all learned together. Hopefully we profited and benefited from the season of 80-81 and will carry this learning forward to the 81-82 season.

Look at the team picture and see if you can find the one that was cheered for as "Sweetie".

VARSITY BASEBALL

The Norco Varsity Baseball team began the season in high spirits. Being in a new league, no one was quite sure what to expect of the team. The varsity played well and learned a lot from their mistakes. Many players will be returning for next year, and we are hoping for more action in 81-82.

1st row- Mike Lehto, Dennis Armstrong, Chris Phillips, John Arnold, Scott Donaldson, Charlie Chastain, Tony Marquez 2nd row- Darrin Garcia, Saul Cortez, Rick Legere, Kevin Haggard, Todd Gergart, Jerry Lawrence, Scott Morris, Dale Underwood, and Coach Gary Parcel

RODEO

Though rodeo is not an official team sport at N.H.S., many students participate in this thrilling sport.

Rodeo, the roughest sport in the world, is considered by many as #1. The recognition it receives is little and the time and money spent usually means broken bones and bruises, but when you win, your efforts are well worth it. Travel is a big part of the rodeo life and the job is done in a minute or less. The rodeo cowboy is often called "a nomad of the west."

The first taste of rodeo comes at an early age in a junior rodeo. In high school, the High School Rodeo Association becomes the new challenge. After graduation, there is collegiate rodeo and on to the professionals.

GOLF

The Norco High School Golf Team got off to a slow start, a very slow start. There were not even a team. The reasons are that the school was low on funds and our coach was tied up with his championship girls' basketball team. But that does not mean that we did not play, we tried to get out at least three times a week at our own expence. Golf at Norco High would be better phrased as a gold club rather than a golf team. At the end of the season there is an individual tournament where we can compete. Our golf club consists of the following people: Scott Eacrett, Steve Gebow, Rob Thomas, David Heggles, Jeff Bingham, and Todd Lamph. Maybe next year the school will have enough funds to produce a team.

SURFING

Surfing is not an organized team activity at Norco High, but this group of Norco surfers are devoted year-round followers of this exciting sport. They often make bi-weekly excursions to the beach. Huntington Pier and Newport are their favorite spots. It's not unusual to find them in the water at 6:00 AM on a cold November morning. That kind of devotion is hard to match.

This informal group includes Rob Thomas, Jeff Bingham, Scott Eacrett, Wes Fritz, Rob McCorcull, Jeff Wedmore, Rudy Garcia, Tom Davis, Rob Lanier, and others.

SWIMMING

Top row (left to right)- Bill Zogg (mgr.), Jeff Earthman, Rick, Tom Chaney, David Vinlove, Eeuwout Hoogendijk, Coach Max Wal

Mr. Jim Cunningham Activities Director

The United States enjoys a democratic form of government based on the idea that people should have a voice in government through their elected officials. This is the idea behind the A.S.B. at Norco. The Associated Student Body allows students to see government in action and to take an active part in it.

A.S.B. officers and commissioners work closely with the administration and faculty. Since last year, one of the main projects at N.H.S. is beautification. Grass and plants are now in place all over campus, this project was started to promote school spirit and participation.

This year, the A.S.B. has sponsored and taken part in many activities. These include Homecoming Week, Band Drive, Bike-a-thon, Dance-a-thon, and also many others.

Norco couldn't get along without the A.S.B. and the commissioners, and everyone is grateful to them, and Mr. Jim Cunningham, the Activities Director, for all of their hard work.

The main objective of Room Representatives is to keep all of the students informed in the school's activities. Each third period class elects one student and one alternate to represent them at the meetings. Here, the students are informed of upcoming events and current policies of the school and the district. The students then report back to their classes. In this way the student body is kept informed and involved in the activities at Norco High School.

FOREIGN EXCHANGE STUDENTS

Every year Norco High School plays host to several Foreign Exchange Students. This year the students have come to NHS from Sweden, Japan, Brazil, Mexico, and other foreign countries. Most students agree that Norco is a fun school and are sorry to leave the friends they have made when they leave to go back home. All of us at Norco are glad to have the Foreign Exchange Students here, and hope this tradition will continue during the future.

BIG BLUE MUSIC MACHINE

84

Norco High School is very proud of the Big Blue Music Machine. This year has mainly been one of reorganizing and rebuilding. Mr. Larry Martin was the new band director and has done a tremendous job.

Field tournaments were a part of the band's schedule for the first time in Norco's history. They have done very well in these tournaments and in their parades, and are trying to improve their image in Southern California by continuing to bring more honors to N.H.S.

The band participated in many musical activities this year. Some of them included all home league football games, Placentia, Lester Oakes and Redlands Parades, a Disneyland performance, two field tournaments, entertainment at home basketball games and a Band and Orchestra festival in the spring.

THE NEW GENERATION

The New Generation is a group of talented Norco Students who dance and sing their way all over Southern California. The group was established in 1974, and has been improving steadily ever since.

This year, New Gen had a new sponsor/director, Mr. Galen Darrough. Mr. Darrough has really done much to develop the talents of the group. Each year, auditions are held to find interested and talented students to add to the group, and although being a member of New Generation means a lot of work and dedication, all of the members agree that it is a worthwhile commitment, and also a lot of fun.

GUPPIES

The Guppy Club was formed in 1980 by a group of girls at N.H.S. Their main goal was to create and spread spirit at Norco, and pull the students together. The girls tried to show their spirit through painting windows, painting Senior Square, and through an activity during Homecoming week. They brought about a rivalry with the Catfish by kidnapping the Catfish banner.

The 1980 members include Susan McQueeney, Cindy Dorado, Cindy Trapp, Shawna Shevitsk, Beth Brandt, Monica Orozco, Lisa Denton, Kathy Meyers, Kim Williams, Susie Grant, Patty Taylor, Tammy Tadlock, Diana Evans, Cheryl Scott and Tracy Kearns.

CATFISH

The fabled Norco High Catfish Club has been a veritable bulwark in the promotion of school spirit throughout in 1980-81 school year. Founded in 1979 by a small group of football players, the club has dedicated itself to the betterment of the Norco High environment.

During this past school year the Catfish Club's performance has not been matched by any other club. The Catfish successfully sponsored the homecoming queen Beth Brandt, contributed an engineering marvel to the homecoming parade "the catfish" float, bettered by over 450 cans any classroom's contribution to the Thanksgiving canned food drive, and virtually planted all of the new plants in the campus beautification drive.

Spearheaded by its Senior officers, the club has grown in size to where it encompasses all male athletes who wish to join. It is the intent on of the club to continue to help athletes develop pride in their school, both on or off the athletic field.

1980-81 was merely the beginning of the catfish club's exploits. The year 1980-82 should be even more significant.

VARSITY CHEERLEADERS

PEP SQUAD

The 1980-81 pep squad consists of the Varsity Song leaders and Cheerleaders, the Junior Varsity Cheerleaders, and the Varsity Mascots. 22 girls made up this year's squad. Their main job is to cheer for and support the many sports teams at Norco High. They cheered for both boys and girls' sports. They have shown their spirit and pride by making posters, holding pep rallies, participating in assemblies and cheering for both home and away league events. The squad earned many awards this past summer at the United Spirit Association Camp in August. The squad members earned these awards for both ability and spirit. Tammie Curles, Varsity Mascot was asked to be an instructor next summer at the camp. NHS is lucky to have such an enthusiastic group of girls supporting the teams and making spirit and pride contagious all over campus. Our congratulations go out to all of the girls for a job well done.

PEP CLUB

The Pep club of NHS is very important. The people in the club are very proud of the mighty cougars and work hard throughout the year to show it some activities the club participated this year were activities during homecoming week Mr. Valentine contest club week and the walk a thon against Corona High. The spirit of NHS was carried all over the campus by the pep club members and one of the clubs activities to help promote spirit a hayride in the NHS Homecoming Parade was a huge success. President Sherry Waccholz is the leading force behind the pep club and everyone here at Norco would like to say thank you to her and all of the members for all of their hard work and enthusiasm.

DRILL TEAM

The Narco High School Drill Team is a very important part of the music program. Through their enthusiastic participation in half time shows, parades and the Christmas show they have proven in their own special way that they are proud to be a part of N.H.S.

This is the second year that the Drill Team has been a part of the Big Blue Music Machine. The Band and Attached units have really made a lot of improvement this year and are very hopeful about the future. Sponsor- Larry Martin, Head Captain- Shawn Wickwire and CoCaptain- Leigh Vozel made up the able leadership which led the Drill Team to success throughout the year. We would like to thank all of the members for their active part in promoting spirit at Norco and wish them much luck in the future!

FFA

The Future Farmers of America is a national organization for students who have an interest in some aspect of agriculture. The members are enrolled in vocational agriculture classes on campus where they learn such things as ag mechanics, ornamental horticulture, and animal science. Led by Mr. Ron Payne, Norco's FFA chapter gives the students a chance to learn by doing, gaining on-the-job experience that will help in future employment. The purpose of FFA is summed up in its motto:

Learning to do
Doing to learn
Learning to live
Living to serve

This year's activities included judging contests, fairs, and shows; softball and volleyball tournaments; state conventions, leadership conferences, our annual bowl-a-thon, an awards banquet, speaking contests, and project competition.

Bottom Row- Carl Munger, Jesse James, Tony Ortega, Lisa Every, Shelley Sullivan, Jody Lynch. Second Row- Gina Boster, Steve Shaw, Deanna Ball, Roy Ridens, Jacque Mathieson, Beverly Benson. Officers: Laurie Mushaney V.P., Gina Boster Pres., Denise Cobb, Tony Cannon Tres, Regina Ray Secretary, Tom Petchaska V.P.

DECA

DECA, which stands for the Distributive Education Clubs of America, is not just another organization on the Norco High campus. Deca is a class in which you must enroll to belong, and you must have a two period block of work experience. They maintain and run the High Supply student store, which sells school supplies, school clothing, buttons gum, and mints. There main purpose is to promote vocational understanding, civic consciousness, social intelligence and leadership to the students. DECA is sponsored by Mr. Robert Doerr.

FBLA

The Norco High chapter of the Future Business Leaders of America (FBLA), is one of the most active groups on campus. This year there was a membership of almost 100 students who were interested in the field of business. In order to assist the members in attending the various business conventions, workshops and competitive events around California, we have a lot of fund raisers that are both fun and profitable. These include car washes, M&M sales, and also a skate-a-thon. Our main school service project this year was the 1st Annual FBLA Urban Cowboy/Cowgirl day and dance. We started our travels this year with the Presidents Conference in Fresno in October. Our Southern Section Competition was in Buena Park in March, and our State Leadership Conference was in Sacramento in May. One of the most enjoyable activities held by FBLA were the many pizza parties.

FHA-HERO

FHA-Hero stands for Future Homemakers of America-Home Economics Related Occupations. It is a national organization open to guys and girls who are interested in Home Economics Activities and/or careers. The club just started this year at Norco and they are getting organized and learning what it is to be a club. FHA believes in teaching skills that will enable members to have strong family units. Family units are defined as a group of people living together and working for the betterment of the unit. They believe that everyone who lives some place in a room, apartment, house or wherever is a homemaker and benefits from having certain skills.

MECHA

The name of our club MECHA means: The movement of Chicano Students of Aztlan. Our purpose is for the betterment of Chicanos and to unite ourselves as one. It's also to enjoy ourselves in the process. On behalf of all MECHA members, we would like to thank our sponsor Mrs. Gonzales and thank Mr. Cunningham for all the support and help they have given us.

Members: Jackie Davila-president, Loretta Segade-vice president, Yolanda Zepeda-secretary, Nadine Rios-treasurer, Becky Rico, Audrey Provencio, Pam Granada, Natalie Granada, Matilda Gonzales, Nelda Gonzales, Julie Salas, Chris Heredia, Sandra Caudill, Norma Trevino, Evelyn Garcia, Rosa Sols, Patty Lopez.

FRENCH CLUB

The French Club at Norco High School is very active. There are two main purposes to the French Club: one is to learn and experience as much about the French language as possible. The other is to help promote spirit at N.H.S. by participating and sponsoring activities for the students. This year the French club sponsored a homecoming candidate, and did many other things to help spread spirit at Norco High. Membership in the French club is open to all students interested in French.

GIRLS' LEAGUE

The purpose of Girls' League is to provide opportunities for young girls to work together in a world of fellowship dedicated to service and the promotion of a better social life. At Norco High School, this means involvement on their three main activities, the thanksgiving school wide food drive, the Christmas singing telegrams, and the Valentines day carnation sales. In addition to these activities, the club sponsors the Mr. Valentine contest, and provides a homecoming queen candidate. All these activities and social events help prepare each girl for the adult role she will play in her community service and activities in the future.

Girls League Members: Angela Carpenter, Annette Correia, Annie Archer, Ruth Brown, Kathy Gawthrop, Maria Rodriguez, Tina Hall. **Sponsors:** Mrs. Campbell, and Mrs. Stinson. **Drama Club Members:** Lisa Borchers, Kelly Spender, Debbie Brown, Jennifer Rosskopf, Madeline Falco, Beverly Vanderdusen, Soberia Cooper, Shannon Stewart, Mrs. Goodhue, Richard Garcia, Matt Tophar, Chris Castwright, John Markland. **Sponsor:** Laurel Good.

THEATRE COMPANY

The Theatre Company at Norco High gives students interested in the theatre a chance to develop and express this interest. The members take part in plays and workshops through-out the year. This year they also took part in several activities, one of which was nominating Tohi for Mr. Valentine. The club sponsor, Mrs. Goodhue, has done an excellent job with the drama club this year, and we wish them much luck in the future.

1981 SPECTRUM STAFF

The 1981 yearbook staff had 26 members. Everyone was enthusiastic and eager to produce one of the best yearbooks ever. In an attempt to meet deadlines, several Saturday workshops were held. Pineapple pizzas kept staff members working past lunch, but Rob Thomas and Beth Brandt argued over which radio station was turned on. We hope that the 1981 **Spectrum** will bring fond memories of Norco Senior High School and that mighty "Cougar Pride".

ENGLISH

The English Department at Norco Senior High School offers classes to students that teach them to speak, read, and write effectively. Any other subject a student may be interested in, mathematics, Science, the Arts, the Humanities or Social Science, uses these skills as tools.

These subjects teach skills that allow students to contribute to society and appreciate its literature. They teach skills necessary to both higher education and day-to-day work.

The human species is the only one which possesses the ability to learn language and the main purpose of the English Department is to see that the students are able to learn as much as possible.

SOCIAL SCIENCE

The major objective of the Social studies Department at N.H.S. is to provide all of the courses and electives which satisfy general graduation requirements. Social Studies helps to prepare students for careers in civil service, business, industry, social welfare and other related fields. The goal of the department is to provide the student with a better understanding of the society in which he lives, to develop in the student those skills and attitudes which are prerequisites for effective citizenship and to prepare and encourage the individual toward intelligent and responsible social action.

FOREIGN LANGUAGE

In our modern world, with other countries a short airplane trip away, and in America, where people of many different nationalities come together, knowledge of a language other than one's own is a great asset. In acquiring a foreign language, a student learns about another culture. He also learns much about his native language.

Norco High's foreign language department offers classes in two very useful languages. French 1-4 is taught by Mr. Richard Hiestand, who attended both Cal-State Los Angeles and l'Universite d' Aix-Marseille. Spanish 1-4 is taught by Ms. Elizabeth Beausang, who attended Vassar, University of Oklahoma, Arizona University, and the University of North Carolina. Students who learn a foreign language will have many employment opportunities open to them as a result.

This department has named Denise Williams, and David Degano as their outstanding students.

DRIVERS' ED

Norco High School is lucky to have such a well run drivers' education program available to its students. In drivers' education, students learn the "rules of the road" and all of the things necessary for safe driving. Insurance policies and emergency techniques for accidents are also covered.

In the automobile training portion of the class, students are actually involved in operating a car by themselves. Our sincere gratitude goes out to the dedicated instructors of driver training for risking their lives daily with inexperienced drivers who fly down the road at the speed of sound.

The one thing that keeps the instructors going is the hope that someday our community will be a safer place to live and commute daily.

Our instructors include Mr. McCullum, Mr. Tengen, Mr. Price, Mr. Oman and Mr. Howell.

MATHEMATICS

The Math Department offers a wide variety of classes such as general math, consumer math, pre algebra, algebra 1 and 2, geometry and physics. In order to graduate from Norco High School, each student is required to pass a math competency test. It is a goal of the department to help the students become competent in the field of math and also to help students to think more clearly and logically. Math helps to exercise the rational and analytical aspects of the thinking process.

SCIENCE

In today's world, science plays a major role in our lives. The goal of the science department is to give students a better understanding of the great impact of science upon modern man.

To accomplish this we try to provide the students with an opportunity to develop a knowledge of fundamental scientific principles and facts which will be useful in many respects to daily living as well as to prepare for higher education.

Classes offered by the science department include biology, life science, physical science, chemistry, and physics. Students learn by lectures as well as having the opportunity to practice their skills in lab projects.

MUSIC

The Music Dept. and Norco High School offers our students a wide range of musical experiences. Both the Band and the Choir were under new leadership this year, so the department went through many changes.

Our Band has had its most successful year ever. Their awards included 1st Place-Field Tournament (the Band's first field event ever), 2nd Place-La Habra Field Tournament, and 3rd Place-Row-and-Band Review. A new emphasis was placed on symphonic music in the spring, with the Band taking part in a Concert tour and Band and Orchestra Festivals. A winter Concert was presented at Corona High and a spring and Pops" Concerts here at Norco. Our Jazz Ensemble also presented a Concert with the RCC Jazz Ensemble.

Our vocal program has worked very hard at presenting a more well-rounded experience for its members. A fine Christmas Concert was given to the public (with the Band) and a performance was given at a local convalescent hospital. The Choir competed well at the RCC Madrigals Festival, and both Concert Choir and New Generation performed at Disneyland. Also offered was a Spring Concert. It looks like we can expect big things from our choirs in the near future.

Along with a guitar class, a new course was offered in the spring, "Music Theory and History". Students had a chance to see how music is put together and the relationship between music and other fields of study.

Our Music Department can look to the future with confidence in themselves and a belief in the service they offer to Norco High.

FINE ARTS

The main purpose of the art department at Norco High is to give students the opportunity to use their imagination and creativity to the fullest. In all of the classes offered by the Art Department, students learn the basic elements of art such as line, color, texture and form. They experiment with the different techniques used in art, and learn about decision making in style and content, through projects they plan and produce themselves.

Whether a student is enrolled in arts and crafts, drawing and painting, or ceramics, they will have a lot of fun exploring the many different areas included in art.

Norco High Schools is proud and fortunate to have three such talented teachers as Mr. Hal Sweigheimer and Mr. Jerry Smith. They do their best to show the students that art can be a fun experience as well as an important part of their schooling.

INDUSTRIAL ARTS

Industrial arts is an opportunity for students which can provide an appreciation and help them to understand modern industry and the importance it provides in our daily lives.

Also, Industrial Art courses provide all students the chance to develop the abilities to perform operations and activities related to the industrial community and the opportunity to become intelligent consumers of industrial products.

Upon completion of any of the industrial art courses the student should have the knowledge needed to perform satisfactorily, the ability to enter a related occupation.

Industrial Arts courses include Woodshop, Drafting, Auto Shop, Graphic Arts, Agriculture, and Welding.

HOMEMAKING

Everyone makes a home
Whether married or not-
Working or not-
Male or female
With others or alone

The home economics department gives young men and women survival skills needed for everyday living in the areas of relationships, financial management, parenting, nutrition and clothing.

The classes offered by this department are co-ed foods, child care, on your own, stitching, and clothing.

Some interesting projects are tried by home economics students. The "Wedding" is highlight of the year. On your own stages a wedding with members of the class playing various roles. Through this project students learn some of the basic problems and difficulties of the adult world.

PHYSICAL EDUCATION

The Norco High PE department is primarily set up to help students achieve physical, mental, and social growth through a variety of sports including basketball, volleyball, badminton, weight training, soccer, tennis, archery, softball, raquetball, and football. Testing of physical fitness is also done once a year in this program. The department teachers include Mr. Brown, Mr. Campbell, Mr. Harris, Mrs. Hilsabeck, Mrs. Lohmann, Mrs. Wells

BUSINESS

The Business Education Department will help students develop their vocational skills and attitudes. General skills and education are also an important part of the business curriculum.

The goals of the department are to help students develop job entry-level skills in areas of business, including office work, accounting, and distribution, to help students become involved in the development of a useable skill for personal use directly related to the course taken, and also to help the student to understand the actions and values of himself and others and to establish a successful relationship between the two and to establish satisfactory performance of good citizenship.

Students in the Business Department are able to demonstrate the skills they learn in the classroom, or on an on-the-job situation. Students enrolled in the department demonstrate growth and improvement in these skills and also learn the attitudes needed in a business situation, good work habits, self discipline, and dependability.

R.O.P.

The Regional Occupational Program provides high school students with the opportunity to enroll in a vocational or technical training program while continuing their high school education. Training for an occupation will be carried to the point of developing marketable job skills, abilities, understandings, attitudes and work habits sufficient to enable the student trainee to secure and hold a job in that occupation, to upgrade his/her skills or prepare for advanced vocational training. ROP courses offered to the students of Norco High School are Banking and Finance, Cosmetology, Firefighting, Nursing Assistant, and Medical Occupations, Retail Merchandising, Restaurant Occupations, Industrial Welding Co-Operative Office Occupations, Word Processing and Legal/Medical Transcription.

I should not pass this way again
 Any good thing that I can show
 Let me not stir or neglect it
 For I should not pass this way again!

The World is like a great mirror
It reflects back to you what you are
If you are loving, if you are friendly
If you are helpful, the world will prove
Loving, friendly and helpful to you
The World is what you are

A MEMORY OF HOPE

I don't want to leave this place

I don't want to leave this place
Not with everyone's kind face
This place is the place for me,
It is always where I wanted to be
I have made many friends here
But never once did I have a beer
I will soon be back to visit
I hope I will still carry a tune
Everyone knows that I love to talk,
But with no expression
On my face I walk
